

STATEMENT OF PURPOSE

RS19172C2

The purpose of this bill is to amend Title 39, Chapter 11, Idaho Code related to the statewide system for the protection of children in daycare facilities. The changes requested will provide for clarification and offer the Department tools needed to meet the intent of the statute and include the alignment of Criminal History and Background Checks with current Department standards and clarification of language related to health and safety standards.

FISCAL NOTE

Amending Title 39, Chapter 11, Idaho Code will result in a limited increase in activity which will be covered by a corresponding increase in receipts. The Department currently has adequate receipting authority to cover this expected increase.
